The Missionary Society of St. Paul (M.S.S.P.), would like to communicate the following with reference to Fr. Charles Pulis:

1. Pope Benedict XVI has decreed the dismissal from the clerical state of the said presbyter, as a penalty, who however will remain incorporated in the above mentioned Missionary Society. This decision cannot be appealed.
2. Furthermore the Missionary Society would like to remind that from the moment the first allegations surfaced in 2003, Fr. Charles Pulis was barred from public priestly ministry as a precautionary measure.
