Archdiocese of Malta

## Regulations for Admission into Church Schools, Malta Form 1 2018-2019 Applicants born in 2007

### ADMISSIONS CRITERIA

#### 1. CRITERIA 1 - Applicants TO BE AWARDED A PLACE :

##### a. Children from Church Homes.

- b. **Children of Church School Employees** may be registered in the same school where the parent works, or in a school of the same religious entity when the school is on the same site or when there is no admission to a higher level, and when the applicants are of the same gender as that of those enrolled in the higher level.

The parent should at least have been in post for one year from the beginning of the next scholastic year. This is not applicable to employees on *Full-Time Reduced Hours*. The parent has to still be full-time employed with the school at the beginning of the next scholastic year.

This criterion does not apply when the parent works in a girls-only school and the child is a boy and vice-versa. Those who do not qualify for a place in this context may apply under the Other Applicants criterion (Para. 3). However, since the administration of both The Archbishop's Seminary and the Sacred Heart College falls under the responsibility of the Archbishop, it has been decided that from this scholastic year the two schools are recognized as schools of the same religious entity. Henceforth employees at The Archbishop's Seminary may register their daughters at the Sacred Heart College and vice versa, employees at the Sacred Heart College may register their sons at The Archbishop's Seminary.

The schools which can accept children of Church School Employees, if they have vacant places (see Para. 1.3) in Form 1 are:

**Boys:** De La Salle, St.Albert the Great, St.Aloysius, St.Augustine, St.Dominic Savio, St.Elias, St.Michael, St.Paul's Missionary College, Stella Maris College, Gżira, The Archbishop's Seminary, and the sons of employees of the Sacred Heart College.

**Girls:** Our Lady Immaculate Hamrun, St.Dorothy, Żebbuġ, St.Francis Sliema, St.Jeanne Antide College Immaculate Conception Secondary Tarxien, St.Joseph Blata l-Bajda, St.Joseph Mater Boni Consilli Paola, St.Joseph Sliema, St.Monica B'Kara, and St.Monica Gzira, Sacred Heart College St.Julians and the daughters of employees of The Archbishop's Seminary.

- ċ. **Children whose siblings are attending a Church School during scholastic year 2017-2018 may be registered in the same school as their sibling/s or in a school of the same religious entity.** The use of the word Sibling stands for children who are residing in the same house and form part of the same family. This also applies to other siblings when they live with the family for a number of weekdays. In such cases, the relevant documents are to be presented. Adopted children, or children who have a foster care agreement which lasts for at least four years are considered as siblings within the same family. The Siblings Criterion may also apply in other years if vacancies occur.

Since the administration of both The Archbishop's Seminary and the Sacred Heart College falls under the responsibility of the Archbishop, it has been decided that from this scholastic year the girls whose brothers are students at The Archbishop's Seminary may be registered at the Sacred Heart College and vice versa, boys whose sisters are students at the Sacred Heart College may be registered at The Archbishop's Seminary.

In a school for girls only, the Siblings Criterion will not apply if the applicant is a boy; and vice-versa. In this case, the applicant may apply under the Other Applicants Criterion (Para. 3).

- d. **Children attending a Church School who wish to be transferred to another Church School** of the same religious entity. This applies to De la Salle and Stella Maris College, Gżira.
- e. **Exemption from Regular Attendance in case family is abroad for serious reasons.** The admission of children who were exempted from attending the Church school they were registered in during the entry process as parents were going to be abroad for a serious reason.
- f. **Year 6 pupils of Church Schools without Continuity.** These pupils participate in the Choice of School Ballot.
- 1.1 Criteria 1a-f are hierarchically structured: children who were exempted from attendance are admitted first, then children from Church Homes, then children of Church School Employees, then Siblings, then those requesting a transfer, then Year 6 pupils of Church Schools without Continuity.
- 1.2 Applications under Criteria 1a-d and 1f will be accepted if the number of these applications is not greater than the vacant places in the relevant school/s. If the number is greater, employees' children are accepted first, then the applicants whose siblings are going to be in the same Church School, and then acceptance proceeds according to the criteria hierarchy. If the number of vacant places is insufficient, a ballot is held amongst the applicants of each criterion. When there is no vacancy in the School attended by the other sibling, siblings may choose another school of the same religious entity. Others are to participate in the Participation Ballot.
- 1.3 For the sake of transparency, the lists of names and criteria of applicants by school are published on [www.thechurchinmalta.org](http://www.thechurchinmalta.org).
- 1.4 Initially some schools cannot offer placements i.e schools which feature a 0 in the 'Number of Places' column of Table in Para. 5. However, if a vacancy arises in these schools either during the Choice of School process or due to other reasons, the vacant place will be offered according to the Criteria hierarchy and/or according to the rank order established by the ballot. Henceforth, one is to apply if interested in a placement in a school which does not have vacant places (see also 1b and 1c and Para. 17.3).
- 1.5 During the Choice of School process a vacancy may arise in a school for which applicants under Criteria 1a-d had not been awarded a place. In such a case, such a vacancy will be offered according to the Criteria hierarchy and according to the place resulting from the relevant ballot. If a vacancy arises for which one of Criteria 1a-d can be applied, this takes precedence even over the *General Waiting List*.
2. **CRITERIA 2 - SERIOUS CASES: A number of children needing the assistance of a Learning Support Assistant, children who can be considered as social cases and refugee cases** are accepted as per explanation hereunder.

The Regulations provide for the entry of:

- **serious cases of Criteria 1** i.e. serious cases children from Church Homes, employees' children, siblings, transfers, children exempted from attendance, and children from Church Schools without Continuity
- **serious cases of Criteria 3** i.e. serious cases Other Applicants.

2.1 Children who need the assistance of an L.S.A. This Criterion includes children who:

- are statemented and need the assistance of a Learning Support Assistant (L.S.A.) or similar, and for whom the schools can provide an individualised educational programme (IEP)
- have started or are about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U.
- have or will have certification from an educational psychologist or similar, which can lead to the assistance of an L.S.A. or similar.
- are applying for entry in kinder one and whose autism screening resulted in the possible requirement of LSA support.

Relevant documents are to be submitted with the application.

- 2.2** Children who already have a statement of needs and who by application day have requested its review or appealed the Board's decision must apply as a Serious Case. The Commission of Serious Cases studies and takes decisions regarding such cases.
- 2.3** A request may be presented to the Admissions Board when an applicant with a statement and supported by an LSA has registered progress and the parents, the school and the psychologist deem that he may advance without assistance even when the process at the Statementing Board to terminate the support has not yet been completed. All relevant documentation should also be submitted to the Admissions Board so that it will be able to determine if the application is to be submitted as a mainstream case or as a serious case.
- 2.4** Applications in mainstream have to be filled for children with a statement of needs reading '*Learner's needs to be met by Class Teacher*'. The Statementing document issued by the Statementing Moderating Panel is to be submitted with the application.
- 2.5** Applicants who fail to apply as indicated above and are registered in a Church School, will lose their right of enrollment in the Church School.
- 2.6 Social Cases.** The category does not cover cases which are presented with only one of the following reasons: children of unmarried mothers; separation in marriage; adoption; fostering. Children under *Care Order* fall in this category. Also see Criteria 1c regarding adopted and fostered children.
- 2.7 Asylum seekers.** Children who themselves or their parents sought asylum when they came to Malta. A small number of places in Church Schools is being allocated to these children.

The Regulations that govern admission in Church Schools of Serious Cases and of children who themselves or their parents sought asylum when they came to Malta, are being published as separate documents, entitled: *Regulations for Admission into Church Schools, Malta 2018-2019 – Serious Cases* and *Church Schools Entry 2018-2019 Regulations for Asylum Seekers*, respectively. The Regulations for Serious Cases and for Asylum Seekers form part of these same Regulations. These documents are available on [www.thechurchinmalta.org](http://www.thechurchinmalta.org)

Asylum seekers who need the assistance of a Learning Support Assistant (L.S.A.) as described in para. 2.1 must apply according to the Regulations for Serious Cases as Other Applicants or as the case may be.

- 2.8** Applicants for whom an application was not originally filled as a Serious Case, but who evolve as requiring the support of an L.S.A., will be placed in the relevant category of applicants and a ballot will be drawn as explained hereafter. Two groups of numbers will be presented: one group with numbers from 0 to 9, and another group with numbers from 0 to the number of tens of applicants. These two groups of numbers represent the units and the tens. A number is drawn from each group. The two numbers that are drawn will make up the applicant's number. The probability stands that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question. This process does not cancel the choices that would have already been made.

### **3. CRITERIA 3 - OTHER APPLICANTS: to be drawn by ballot.**

- 3.1** Amongst Other Applicants there may be siblings who are applying for the same year of entry (twins) or other years of entry. If the elder sibling or one of the twins is awarded a place, the younger sibling will also be awarded a place as per Siblings criterion (para. 1c), if a vacant place is available.

This also applies to Serious Cases if the possibility exists. Serious Case applicants of Criteria 1 are enrolled first. If the School has a vacant place for Shared LSA and the applicant requires a Full Time LSA, the School would be unable to accept the applicant.

On the Application Form, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply. This also applies for Girls.

### **4. APPLICANTS' YEAR OF BIRTH**

Eligibility: Applicants have to be born in the year 2007 and is currently in Year 6 Primary.

The Board will consider requests for exemptions from this Regulation in the light of specific reasons, including cases where applicants would have repeated a year. These requests, together with relevant documents and other information requested by the Board, are to be addressed in writing to the Church Schools Admissions Board as indicated in Para. 22, not later than fifteen days from application dates. The Church Schools Admission Board decides if the exemption request should be granted.

- 16.** It is imperative that parents/ guardians are present to make their choice of school according to their rank order, on the day and at the time indicated above. Latecomers will still retain their right to effect choice of school according to their Rank Order. However, choices already made will stand.
- 16.1** It is the parents’ responsibility to be present for the choice of school or to authorise someone else to be present in their stead. When the parents are absent for the choice of school due to an emergency, the Admissions Board may try to reach the applicant’s parents and if necessary register the applicant on their behalf, in the school of their choice where vacant places are still available. If this procedure is not adopted, this cannot be interpreted as a shortcoming on the part of the Admissions Board. It would be beneficial if during the Choice of School, parents who opt not to send their child to a Church School inform the Admissions Board of their decision.
- 17.** Parents may choose their preferred school as long as vacant places are available.

- 17.3** If a vacancy arises in any of the participating schools, it is offered according to the Admissions Criteria hierarchy, and/or to the highest ranking applicant according to the Choice of School Ballot who had preferred that school but could not choose it.
- Parents are instructed to indicate their order of preference of schools by writing a number next to the names of five schools, the digit 1 being the highest preference and so on. Preference is also to be indicated with regards to schools which feature a 0 in the ‘Number of Places’ column of Table in Para. 5, if the parents are interested in the same schools (see Para. 1.4).
- When processing the ‘Schools Order of Preference Form’, only schools indicated by parent as having higher preference than the applicant’s school of enrollment will be taken into consideration. The parent’s indication of schools having a lower preference than the applicant’s school of enrollment will not be considered.
- 17.4** If vacancies remain once this process has been concluded, the next applicant on the list will be called. He/she will also be asked to fill the ‘Schools Order of Preference Form’.
- 17.5** In certain schools, the school attendance of applicants who fill a vacated place after the beginning of the scholastic year, might be postponed to the next scholastic year.
- 18.** The rank order established through the Participation Ballot and the Choice of School Ballot serves as the general waiting list and remains active till 30th June 2019 for admission into form one secondary for scholastic year 2018-2019.

## Other Matters

19. Children registered in a Church school are obliged to attend regularly the school in which they registered as from the beginning of the scholastic year.
- 19.1 An exemption can be given in case parents are going to be abroad for a serious reason like work, sickness or study for a period of one scholastic year as from the date when the child should start attending school. To be given this exemption, parents need to write to the Admissions Board to inform the Board of their need, the duration of their stay abroad and to send any relevant documentation that proves that they are going to be abroad for a serious reason.  
Parents can ask for an exemption for a second scholastic year by writing to the Admissions Board and providing the necessary details. The Board will inform the parents about the decision taken. The decision of the Board is final. The place reserved for the child will not remain available if the exempted child does not start attending school by the stipulated date.
20. It is obligatory that students take the national end-of-primary-education examination, unless they are exempted by the Education Authorities. Each applicant awarded a place is bound to pass on the Year 6 Primary annual examination result to the Head of School of his/her new school, or authorise the Education Division to pass on this information to the school in question. Failure to do this will result in forfeiture of the place in the school register.
