BEST WISHES AND PRAYERS FOR ARCHBISHOP SCICLUNA

We thank God that Archbishop Charles J. Scicluna is recovering well following his admission to hospital in Santiago, during which he underwent surgery, whilst on a mission in Chile entrusted to him by Pope Francis.

The Church in Malta and Gozo wish to express their solidarity with Archbishop Scicluna and encourage all the faithful to continue to pray for him during his recovery, that he may recover fully to continue serving Christ and the Church with complete dedication.
