# SECTION 1 - INSTRUCTIONS TO TENDERERS

## 1. General Instructions

1.1

In submitting a tender, the tenderer accepts in full and in its entirety, the content of this tender document, including subsequent Clarifications issued by the Secretariat for Catholic Education (SfCE), whatever the economic operator's own corresponding conditions may be, which through the submission of the tender is waived. Tenderers are expected to examine carefully and comply with all instructions, forms, contract provisions and specifications contained in this tender document. These Instructions to Tenderers complement the General Rules Governing Tenders for NGOs Version 1.0.

**No account can be taken of any reservation in the tender in respect of the procurement documents; any disagreement, contradiction, alteration or deviation shall lead to the tender offer not being considered any further.**

**Prospective tenderers must submit their offer in a SEALED ENVELOP by depositing it in the tender box, located at the Secretariat for Catholic Education, 16 the Mall, Floriana FRN 1472. The offices are open from Monday to Friday from 08:00 to 15:00.**

**Tenderers must submit one original tender offer as well as a soft copy on a USB flash drive. It is important that the full tender bid package is provided in soft copy given that due to Covid 19 pandemic, utilisation of the soft copy will be highly required throughout the evaluation process. Tender reference number and tender title must be clearly indicated on the sealed bid. Prospective tenderers take full responsible to submit their offer by the set tender submission deadline.**

The TENDERER will bear all costs associated with the preparation and submission of the tender. The Secretariat for Catholic Education (SfCE) will in no case be responsible or liable for such costs, whatever the conduct or outcome of the procedure.

The SfCE reserves the right to accept or reject any tender and/or to cancel the whole tender procedure and reject all tenders. The SfCE reserves the right to initiate a new invitation to tender and the right to accept or reject offers for one or more lots and/or service level agreement and insurance.

The SfCE may cancel the tender process where:

- the tender procedure has been unsuccessful, namely where no qualitatively or financially worthwhile tender has been received or there has been no response at all;
- the economic or technical parameters of the project have been fundamentally altered;
- exceptional circumstances or force majeure render normal performance of the project impossible;
- all technically compliant tenders exceed the financial resources available;
- there have been irregularities in the procedure, in particular where these have prevented fair competition.

In the event of a tender procedure's cancellation, TENDERERS will be notified by the SfCE. In no circumstances will the SfCE be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a tender, even if the SfCE has been advised of the possibility of damages. The publication of a contract notice does not commit the SfCE to implement the project or works announced.

The SfCE retains ownership of all tenders received and TENDERERS have no right to request their tenders returned to them.

### Note:

**Where in this tender document a standard is quoted, it is to be understood that the Contracting Authority will accept equivalent standards. However, it will be the responsibility of the respective**

**bidders to prove that the standards they quoted are equivalent to the standards requested by the Contracting Authority.**

## SECTION 2 - EXTRACTS FROM THE PUBLIC PROCUREMENT REGULATIONS

### Part X of the Public Procurement Regulations

270. Any tenderer or candidate concerned, or any person, having or having had an interest or who has been harmed or risks being harmed by an alleged infringement or by any decision taken including a proposed award in obtaining a contract, a rejection of a tender or a cancellation of a call for tender after the lapse of the publication period, may file an appeal by means of an objection before the Review Board, which shall contain in a very clear manner the reasons for their complaints.

271. The objection shall be filed within ten calendar days following the date on which the NGO has by fax or other electronic means sent its proposed award decision or the rejection of a tender or the cancellation of the call for tenders after the lapse of the publication period.

272. The communication to each tenderer or candidate concerned of the proposed award or of the cancellation of the call for tenders shall be accompanied by a summary of the relevant reasons relating to the rejection of the tender as set out in regulation 242 or the reasons why the call for tenders is being cancelled after the lapse of the publication period, and by a precise statement of the exact standstill period.

273. The objection shall only be valid if accompanied by a deposit equivalent to 0.50 per cent of the estimated value set by the NGO of the whole tender or if the tender is divided into lots according to the estimated value of the tender set by the NGO for each lot submitted by the tenderer, provided that in no case shall the deposit be less than four hundred euro (€400) or more than fifty thousand euro (€50,000) which may be refunded as the Public Contracts Review Board may decide in its decision.

274. The Secretary of the Review Board shall immediately notify the Director and/or the NGO as the case maybe that an objection had been filed with his authority thereby immediately suspending the award procedure.

275. The NGO involved, as the case may be, shall be precluded from concluding the contract during the period of ten calendar days allowed for the submission of appeals. The award process shall be completely suspended if an appeal is eventually submitted.

276. The procedure to be followed in submitting and determining appeals as well as the conditions under which such appeals may be filed shall be the following:

- (a) any decision by the General Contracts Committee or the Special Contracts Committee shall be made public by affixing it to the notice-board of the same NGO as the case may be or by uploading it on Government's e-procurement platform prior to the award of the contract if the call for tenders is administered by the NGO;
- (b) the appeal of the complainant shall also be affixed to the notice-board of the Review Board and shall be communicated by fax or by other electronic means to all participating tenderers;
- (c) the NGO and any interested party may, within ten calendar days from the day on which the appeal is affixed to the notice-board of the NGO and uploaded where applicable on the Government's e-procurement platform, file a written reply to the appeal. These replies shall also be affixed to the notice-board of the Review Board and where applicable it shall also be uploaded on the Government's e-procurement platform;
- (d) within three working days of the publication of the replies, the Secretary of the Review Board shall prepare a report (the Analysis Report) analysing the appeal and any reply to

it. This report shall be circulated to the persons who file an appeal and to all parties who submitted a reply to the appeal;

- (e) after the preparatory process is duly completed, the Director or the Head of the NGO shall forward to the Chairman of the Review Board all documentation pertaining to the call for tenders in question including files, tenders submitted, copies of deposit receipts and any motivated letter;
- (f) The secretary of the board shall inform all the participants of the call for tenders, the NGO of the date or dates as the case maybe when the appeal will be heard;
- (g) When the oral hearing is concluded, the Public Contracts Review Board, if it does not deliver the decision on the same day, shall reserve decision for the earliest possible date to be fixed for the purpose, but not later than six weeks from the day of the oral hearing: Provided that for serious and justified reasons expressed in writing by means of an order notified to all the parties, the Public Contracts Review board may postpone the judgment for a later period.
- (h) The secretary of the board shall keep a record of the grounds of each adjournment and of everything done in each sitting;
- (i) After evaluating all the evidence and after considering all submissions put forward by the parties, the Review Board shall decide whether to accede or reject the appeal.

All products must meet the latest ENERGY STAR standards for energy performance.  
Verifications:

All products carrying the ENERGY STAR label will be deemed to comply. Any appropriate means of proof, such as a technical dossier of the manufacturer or a test report from a recognised body demonstrating that the criteria are met will also be accepted.

All products carrying the EU Ecolabel will be deemed to comply. Other appropriate means of proof will also be accepted.

Laptops must be designed so that the memory is easily accessible and can be changed.

The Contractor must pre-install the Operating System Image of each particular entity (Church school or SfCE) on the laptop devices of each particular entity. For the Operating System Image to be created, the Contractor must provide a laptop as per Section 4 - Minimum Technical Specification to the SfCE and to every Church School.

## 4.2 Service Level Agreement

### 4.2.1 DESCRIPTION OF SERVICES

#### Hardware Support Services

Hardware Repairs, replacements and components replacements of the Laptop Computer must be made to keep the workstation in a good working order. (Refer to "Article 12 Insurance and Article 32 Warranty" of the Special Conditions). The employee will personally hand over the defective Laptop Computer to the contractor's Service Desk. In case where the repair of the laptop will take longer than the specified Fix time, the contractor must provide a temporary replacement. The Service Levels below must be met.

#### i. Standard Service

The Contractor must provide the services with the care, skill and diligence in accordance with best engineering practices, standard and techniques.

#### ii. Parts, Consumables and Independent Maintenance

The Laptop Computer and all its respective components.

#### iii. The Contracting Authority's Responsibilities

The Contracting Authority agrees that the user should:

- a. Notify the Contractor promptly of any faults, abnormal functions and/or accidental damage of the Laptop Computer through the person in charge in every Church School and in SfCE.
- b. Operate, use and generally treat the workstation in a prudent and proper manner.

### 4.2.2 DURATION OF CONTRACT AND RENEWAL

This Service Level Agreement shall come into effect after distribution of the Laptop Computer and shall be valid for five (5) years.

The Contracting Authority reserves the right to renew the Hardware Support Services agreement on a yearly basis after closure of the 5-year Service Level Agreement period.

#### 4.2.3 SERVICE LEVELS

Incidents must be reported and logged by the contractor through the Service Management System provided by the contractor once the client hands over the defective Laptop at the contractor's Service desk. The fix time is triggered as soon as the contractor is handed over the laptop. Details such as user information, equipment identifier, reported incident and dates are entered into this system. An acknowledgement use provided to be sent featuring the details of the incident. Such information should be provided to the Contracting Authority as indicated in para 9.9 above

For all Incidents reported, the Equipment has to be fixed or replaced within the respective Fix time in accordance with Table 1 below.

Fix Time is calculated only for Normal Working Hours of the Contractor.

| Service level priority | Response time  | Fix time       |
|------------------------|----------------|----------------|
| 1                      | Not applicable | Not applicable |
| 2                      | Not applicable | Not applicable |
| 3                      | 4 hrs          | 15 hrs         |

90% of all calls assigned to the Contractor during any month must be serviced and subsequently resolved within the Fix Time as defined in the Service Level table above. Should the contractor not comply with this monthly threshold he/she will incur a penalty of €200 for every week of non-compliance.

Where support requires the replacement of the computer storage, the Contractor will be responsible to install the Image within the Service Levels. The recovery of the actual data falls outside the Service Levels.

During the provision of services in Church Schools supplier representative/s shall present valid identification documentation and must abide by SfCE or school/s procedures in place including wearing an identification / guest tag where applicable at all times.

In the event where Supplier needs to access SfCE or school/s information and information resources for the performance of its services, it shall do so in accordance with the instructions submitted by SfCE designated representatives from the SfCE and in conformity to the terms and conditions of this Agreement, in particular with the General Decree On The Protection of Data found at <https://church.mt/files/page/GDPD.15348463124.pdf>, and any misuse or divulgence thereof shall constitute a breach to this agreement without prejudice to any rights of action appertaining to SfCE or school/s exercisable by law."

SfCE or school/s shall, at the request of Supplier, provide staff familiar with SfCE or school/s programs and / or applications, which staff shall fully co-operate with Supplier's personnel in the diagnosis of any malfunction of the equipment. Such requests by Supplier are to be made only when strictly necessary.

All personnel working onsite in schools need to be cleared according to the PROTECTION OF MINORS (REGISTRATION) ACT. It shall be the company's responsibility to revise regularly and keep up to date.
