

## **TENDERER'S TECHNICAL OFFER** (Note 3)

The Technical Offer shall constitute the following:

Tenderer's Technical Offer in response to the specifications.

- 1) **Key Personnel** (Note 2A). The Key Personnel that the Contractor must deploy for this project as per Key Expert Form and as outlined in Clause 7C of the Instructions to Tenderers.
- 2) **A Construction Management Plan** (Note 3). A site management plan clearly outlining hoarding and protection, site storage, the use of machinery and equipment, and the human resources that the tenderer envisages to deploy on the project site for the completion of the works in question. The plan may include drawings or sketches illustrating site dynamics and logistics.
- 3) **A Risk Assessment** (Note 3). A preliminary risk assessment and outline of the health and safety procedures that the tenderer intends to implement for the duration of the works. These documents shall act as a basis for more detailed reports prior to commencement of works by the winning bidder.
- 4) **A Gantt Chart** (Note 3) Programme of Works as outlined in the Works Tenderer Technical Questionnaire. The implementation period for this tender is 36 weeks from order to start works.
- 5) The **Declaration** by the bidder reproduced hereunder:

### **Technical Offer Declaration:**

I / We declare that as part of our technical offer, we confirm that the materials and equipment that will be ordered and or purchases will be in accordance with the Technical Specifications (Section 4 of the Tender Document) and as detailed in the Bill of Quantities.

Furthermore I / we confirm that the works will be carried out in accordance with the Technical Specifications (Section 4), as detailed in the Bill of Quantities.
