

DIKJARAZZJONI TA' KOLLABORAZZJONI

mill-Ġenituri/Gwardjani li qed jirreġistraw 'l uliedhom fl-iskejjel tal-Knisja
L-iskop tal-iskejjel tal-Knisja huwa li jagħtu edukazzjoni ċivika u nisranija
lit-tfal skont l-ideali tal-Knisja Kattolika kif imfissra fid-dokumenti tal-Knisja
dwar l-Edukazzjoni Nisranija.

Għalhekk, aħna l-ġenituri/gwardjani nafu li:

1. t-tifla tagħna għandha tkun lesta biex issegwi kors regolari skont il-ħtiġijiet tagħha;
2. għandna naħdmu id f'id ma' l-iskola fl-edukazzjoni u fit-trobbija tat-tifla tagħna fl-ispiritu tad-dokumenti tal-Knisja dwar l-edukazzjoni;
3. għandna nagħtu sehemna u nġhinu f'kull inizjattiva edukattiva li l-iskola twettaq;
4. l-iskejjel tal-Knisja joffru t-tagħlim tar-Reliġjon Kattolika u ma joffrux suġġett alternattiv.

DECLARATION OF COLLABORATION

by the parents/guardians registering their child in a Church school.

The scope of Church schools is to impart a civic and catholic education according to the ideals of Catholic Education as described in Church documents about Catholic Education.

We, the parents, are in agreement that:

1. our child is ready to follow a regular educational course according to his/her needs;
2. we will collaborate with the school in the formation and education of our child in the spirit of the documents of the Church about education;
3. we shall contribute to and support every educational initiative realised by the school;
4. Church schools offer the teaching of the Catholic religion and do not offer alternative subjects.
