* One of the applicants has a sibling in a Church School and attends in a School without Continuity. Therefore, he took part in the Choice of School ballot. He will be asked to decide if he will continue with the siblings criterion or the school without continuity criterion. If he decides to continue with the siblings criterion then he will not choose a school when it is his turn to choose according to his ranking. If he decides he will continue with the school without continuity criterion then he will renounce the place he occupies under the siblings criterion.

** We had 3 sets of applicants who took part in the Choice of School ballot who are twins. Therefore, the twin, from each set, who did not take part in the ballot will be enrolled at the same school as his brother according to criterion 3.1.
