Regulations for Admission into Church Schools, Malta
Form 1 2023-2024 Applicants born in 2012

ADMISSIONS CRITERIA

1. **CRITERIA 1:**
   a. **Children from Church Homes.**
   b. **Church School Employees or Employees of the Secretariat for Catholic Education** may register their children in the same school where the parent works, or in a school of the same religious entity. Since the Archbishop's Seminary and the Sacred Heart College are schools of the same religious entity, employees at The Archbishop’s Seminary may register their daughters at the Sacred Heart College and vice versa, employees at the Sacred Heart College may register their sons at The Archbishop’s Seminary. Reference to this criterion will hereafter be “children of employees in the same school”.

   Curriculum Heads of Departments of the Secretariat for Catholic Education may register their children in the same school where they teach three times a week.

   The parent should at least have been in post for one year from the beginning of the next scholastic year and has to still be full-time employed with a church school at the beginning of the next scholastic year. This includes Full-Time employees who are on reduced hours temporarily and will return to Full-Time employment. This is not applicable to those employed long-term on Full-Time Reduced Hours.

   Children of employees at the following schools may be registered in the same school where the parent works, or in a school of the same religious entity, if the schools have vacant places (vide Paragraph 1.6).

   **Boys:** De La Salle, St. Albert the Great College, St. Aloysius College, St. Augustine, St. Dominic Savio, St. Elias, St. Michael, St. Paul’s Missionary College, Stella Maris College Gżira, and the Archbishop’s Seminary. Employees at the Sacred Heart College may register their sons at the Archbishop’s Seminary.

   **Girls:** Our Lady Immaculate Ħamrun, St Albert the Great College, St. Dorothy Żebbuġ, St. Dorothy Sliema, St. Francis Sliema, St. Jeanne Antide College Primary School Gudja, St. Jeanne Antide College Immaculate Conception Secondary Tarxien, St. Joseph Blata l-Bajda, St. Joseph Paola, St. Joseph Sliema, St. Monica Birkirkara, St. Monica Gżira, St. Monica Mosta, and the Sacred Heart College St. Julians. Employees at the Archbishop’s Seminary may register their daughters at the Sacred Heart College.

c. **Children whose siblings are attending a Church School during scholastic year 2022-2023** may be registered in the same school as their sibling/s or in a school of the same religious entity. The schools of the religious entity need to be either both in Malta or else both in Gozo.

   Since the Archbishop's Seminary and the Sacred Heart College are schools of the same religious entity, girls whose brothers attend The Archbishop’s Seminary may be registered at the Sacred Heart College and vice versa, boys whose sisters attend the Sacred Heart College may be registered at The Archbishop’s Seminary.

   This is not applicable to the siblings of Sixth Form students at St. Aloysius College Birkirkara.

   In a school for girls only, the Siblings Criterion will not apply if the applicant is a boy, and vice-versa. In this case, the applicant may apply under the Other Applicants Criterion (Paragraph 3).

Eligible for this criterion:
i. Siblings, from the same parents and who are residing in the same house and form part of the same family.

ii. Siblings, who although have common parents do not live in the same house or family but spend at least 20 hours a week together. For the application to be considered, one needs to submit relevant documents and a declaration under oath taken in front of a notary, made by both parents, indicating the number of hours the children live together in the same house.

iii. Siblings, who have one common parent and spend at least 20 hours a week together. For the application to be considered, one needs to submit relevant documents and a declaration under oath taken in front of a notary, made by the people who have the care and custody of the children, indicating the number of hours the children live together in the same house.

iv. Children who are being brought up by the same adults together and are living in the same house and family. For the application to be considered, one needs to submit relevant documents and a declaration under oath taken in front of a notary, stating that the adults are taking care of the children together and indicating the reasonable cause for this situation. In these cases, the Admissions Board will determine if the reasonable cause presented is justified or not.

v. Children who are adopted or in foster care and are living with a family who have other children attending a church school. Adopted or fostered children are considered siblings to the children of the family they live with. For the application to be considered one needs to submit the Certificate from the competent agency that indicates that the child is adopted or is fostered within the family.

d. Children attending a Church School who wish to be transferred to another Church School of the same religious entity. This applies between De la Salle and Stella Maris College, Gżira; and St Joseph Blata l-Bajda, Sliema and Paola; and between the Schools of St. Monica Mosta and B’Kara when the sibling already attends St. Monica B’Kara or when the parent is employed at St. Monica B’Kara.

e. Exemption from Regular Attendance in case family is abroad for serious reasons. The admission of children who were exempted from attending the Church School they were registered in as their parents were going to be abroad for a serious reason. These children attend the school chosen during the process of entry of the previous year.

f. Year 6 pupils of Church Schools without Continuity. These pupils participate in the Choice of School Ballot.

ġ. Children of Church School Employees or Employees of the Secretariat for Catholic Education who cannot attend the same school where the parent works. Reference to this criterion will hereafter be “children of employees in another school”. They will participate in the Choice of School Ballot.

The parent should at least have been in post for one year from the beginning of the next scholastic year and has to still be full-time employed with a church school at the beginning of the next scholastic year. This includes Full-Time employees who are on reduced hours temporarily and will return to Full-Time employment. This is not applicable to those employed long-term on Full-Time Reduced Hours.

The Criterion 1ġ applies also for children of Employees who work in Church Schools and for children of Curriculum Heads of Departments of the Secretariat for Catholic Education who teach three times a week in a particular school where the level of entry is not Form 1 / Year 7 and when the children are not in schools without continuity.

Criterion 1ġ also applies to the same children of Employees mentioned in the previous paragraph where there are classes in Form1 / Year 7 without vacant places. If a vacancy arises Criterion 1b will apply and not Criterion 1ġ. These applicants need to apply under Criterion 1b and 1ġ.

The Secondary School of St Aloysius College is receiving many applications from siblings and children of employees of their own school. Therefore, it will not accept children of employees in another school and the remaining available places will be offered to other applicants (Criteria 3).
Hence Children of employees in another school may choose a school from those mentioned in paragraph 6 excluding St Aloysius College.

Parents who wish to include St Aloysius College along with the other schools need to apply as Other Applicants.

For children of employees in another school one is to choose if to apply under Criterion 1\(\text{g}\) and participate in the Choice of School Ballot but with restricted choice of schools, or apply under Criterion 3 Other Applicants and take part in the Participation Ballot. If the latter proceed to the Choice of School Ballot, they would make their choice by rank order from all the schools.

Applicants who are eligible to apply under criteria 1a – 1d and did not apply in the stipulated time may apply under criterion 1h on the same dates of Other Applicants (Paragraph 10) These applicants will be considered as Other Applicants and will participate in the ballots like Other Applicants. But they will be placed on the waiting list for the school they were eligible for as indicated in paragraph 1.6

1.1 Criteria 1a–1\(\text{g}\) are hierarchically structured: children who were exempted from attendance are admitted first, then children from Church Homes, followed by children of employees in the same school, then Siblings, those requesting a transfer and children from Church Schools without Continuity, and then the children of employees in another school will choose a school according to the choice of school rank order.

1.2 Applicants under Criteria 1a-1d will be accepted if the number of applications is not greater than the vacant places in the relevant school/s. If the number of applicants is greater, children from Church Homes are admitted first followed by children of employees in the same school, then the applicants whose siblings are going to be in the same Church school, then applicants whose siblings are going to be in a school of the same religious entity, and then transfers. A ballot takes place amongst the applicants of a group when the number of applicants in that group is greater than the number of places.

1.3 If the number of vacant places is sufficient to cater also for all the children of Church Schools without Continuity but not for all the children of employees in another school, a ballot takes place for the children of these employees. The applicants who rank first will be able to take part in the Choice of School Ballot together with children from Church Schools without Continuity. If the number of vacant places is not enough for all the children from Church Schools without Continuity, the Choice of School Ballot will be held for applicants of this criterion only.

1.4 Children from Church Schools without Continuity and the children of employees in another school participate in the Choice of School Ballot together with Other Applicants of Criterion 3.

1.5 For the sake of transparency, the lists of names and criteria of applicants by school are published on www.church.mt

1.6 Initially some schools cannot offer placements i.e schools which feature a 0 in the ‘Number of Places’ column of Table in Paragraph 6. However a vacancy may arise in these schools either during or after the Registration process. Therefore those who are eligible need to apply.

On the same day of the Participation Ballot, particular ballots will be drawn for each school and each criterion. The following will participate in these ballots: the applicants for the schools which had no availabilities and the applicants who applied late, criterion 1h, according to the criterion they were eligible for. Ballots will be held for applicants of Employees (1b) and applicants for Employees who applied late (1h) for the same school and ballots for Siblings (1c) and Siblings who applied late (1h) for the same school. If need be this procedure will be applied also for applicants under the criterion of Children from Church Homes who applied late (1h) and those who applied late for transfer (1h).

These applicants will be placed in the waiting list according to the criterion hierarchy and rank order from the particular ballots.
2. **CRITERIA 2 – SERIOUS CASES:**

A number of children needing the assistance of an L.S.E., children considered as social cases and Asylum Seekers cases are accepted.

2.1 The Regulations that govern admission in Church Schools of Serious Cases and of children who themselves or their parents sought asylum when they came to Malta, are being published as separate documents, entitled: *Regulations for Admission into Church Schools, Malta 2023-2024 – Serious Cases* and *Church Schools Entry 2023-2024 Regulations for Asylum Seekers*, respectively. The Regulations for Serious Cases and for Asylum Seekers form part of these same Regulations. These documents are available on [www.church.mt](http://www.church.mt).

2.2 The Regulations provide for the entry of:

- **Serious cases of Criteria 1** i.e. Serious cases of children from Church Homes, children of employees in the same school, siblings, transfers, exempted from attendance, children from Church Schools without Continuity, and children of employees in another school.

- **Serious cases of Criteria 3** i.e. Serious cases of Other Applicants.

2.3 **Children who need the assistance of an L.S.E.** – This Criterion includes children who:

- are statemented and need the assistance of a Learning Support Educator (L.S.E.) or similar, and for whom the schools can provide an individualised educational programme (IEP).

- have started or are about to start the statementing process at the Statementing Moderating Panel or at the C.D.A.U.

- have or will have certification from an educational psychologist or similar, which can lead to the assistance of an L.S.E. or similar.

- are applying for entry in kinder one and whose autism screening resulted in the possible requirement of L.S.E. support.

Relevant documents are to be submitted with the application.

2.4 Children who already have a statement of needs and who by application date have requested its review or appealed the Statementing Board’s decision must apply as a Serious Case. The Commission of Serious Cases studies and takes decisions regarding such cases.

2.5 When an applicant already has a statement of needs and is supported by an L.S.E. but has registered progress and the parents, the school and the educational psychologist deem that s/he may advance without the assistance of an LSE and have submitted a request to the Statementing Moderating Panel Board for the removal of the support of the L.S.E. by the 31st October 2022, the applicant initially needs to apply as mainstream and needs to present the request for the removal of the L.S.E. and other relevant documents.

The Admissions Board will determine if the application is to proceed in mainstream or as a serious case.

2.6 Applicants with a statement of needs reading ‘Learner’s needs to be met by Class Teacher’ apply as mainstream students. The application is to include the statementing document issued by the Statementing Moderating Panel and the most recent psycho-educational report.

2.7 Applicants who have allergies and / or might need to use an Epi-Pen but do not need the support of an LSE are to apply under mainstream. On the application, the parents of these applicants are obliged to present the latest medical reports accordingly.

2.8 It is very important that if circumstances change after the application or registration phase, the Admissions Office needs to be notified. This applies if applicant start process at CDAU, psychologist or medical conditions such as diabetes, epilepsy, etc, are developed or if there is change in the support given or if given the support of an L.S.E. (see paragraph 2.13).
2.9 Applicants who fail to apply as indicated above and are registered in a Church School, will lose their right of enrollment in the Church School.

2.10 **Social Cases.** Children under Care Order fall in this category. Children who are under Care Order and live in the same house with other children under Care Order who attend a Church school may apply for the same Church school, if there are available places (see Serious Cases Regulations paragraph 1.8).

Social Cases applicants can be mainstream or with the support of an L.S.E. Therefore, they will be considered according to their condition.

This category does not cover cases which are presented with only one of the following reasons: children of unmarried mothers; separation in marriage; adoption; fostering. Also see Criteria 1c regarding adopted and fostered children.

2.11 **Asylum seekers.** Children who themselves or their parents sought asylum when they came to Malta. A small number of places in Church Schools is being allocated to these children.

2.12 Asylum seekers who need the assistance of an L.S.E. as described in Paragraph 2.3 must apply according to the Regulations for Serious Cases as Other Applicants or according to the case itself.

2.13 Applicants for whom an application was not originally filled as a Serious Case, but start assessment by an educational psychologist or similar which might result in the support of an L.S.E., need to inform the Admissions Office immediately and ideally before the ballots. These will be placed in the relevant category of applicants and a ballot will be drawn as explained hereafter. Two groups of numbers will be presented: one group with numbers from 0 to 9, and another group with numbers from 0 to the number of tens of applicants. These two groups of numbers represent the units and the tens. A number is drawn from each group. The two numbers that are drawn will make up the applicant’s number. It is probable that another applicant will already have the same number. If it evolves that these two applicants are in the chance of choosing a place and only one place is available, a ballot will be drawn for them to determine who will be awarded the place in question. This process does not cancel the choices already made (see paragraph 2.8).

3. **CRITERIA 3 – OTHER APPLICANTS**

3.1 Amongst Other Applicants there may be siblings who are applying for the same year of entry (twins) or other years of entry. Whenever possible siblings will be enrolled in the same school or in a school of the same religious entity. Where there are more applicants for the same place, preference will be given to those applicants whose siblings will be at the same school. A ballot will be held when there will be more applicants than availabilities.

In the case of twins, triplets etc, the child who ranks low during the ballot, is given the same ballot number of the sibling who ranked higher.

This also applies to Serious Cases if the possibility exists. Serious Case applicants of Criteria 1 are enrolled first. If the School has a vacant place for Shared L.S.E. and the applicant requires a Full-Time L.S.E., the School would be unable to accept the applicant in that particular case.

When applying, each sibling must declare who the other sibling is and which Year of Admission the latter is applying for. If this requirement is not adhered to, the Criterion for Siblings will not apply. This also applies for Girls.

3.2 Should the number of total applicants from Church Schools without Continuity and children of employees in another school be greater than the number of vacant places, applications from Other Applicants would not be filled.

4. **SUBMISSION OF MORE THAN ONE APPLICATION**

4.1 The Application under Criteria 1b (children of employees in the same school), Criteria 1c (siblings) and Criteria 1d (transfers) is also an application for Criteria 3. Therefore, there is no need for another application to be submitted. Those who do not wish to retain their Application under
Criteria 3 are to write to the Board according to Paragraph 17.5. There are instances where the Application under Criteria 3 does not apply (see paragraph 4.7 and 4.8).

4.2 Those applying under Criteria 1b (children of employees in the same school) cannot apply under Criteria 1ġ (children of employees in another school) too and vice versa. This is unless both parents work in two separate church schools and Criteria 1b would apply for one parent and Criteria 1ġ would apply for the other parent. Another exception for this criteria applies when a parent is applying for a school which has no vacant places in this level. Example: a parent who works at St Augustine and has a son for Form 1 or a parent who works at St Joseph and has a daughter for Form 1.

4.3 Applicants under the Criterion of Exemption from attendance (Crit. 1e) may also apply under the Criterion of Other Applicants (Crit. 3).

4.4 Applicants under the Criterion of Schools without Continuity (Crit. 1f) are not to apply also as Other Applicants (Crit. 3) because they will participate in the Choice of School Ballot.

4.5 Applicants under the Criterion of children of employees in another school (Crit. 1ġ) have to choose to either apply under Critierion 1ġ and participate in the Choice of School Ballot or apply under Criterion 3 Other Applicants and take part in the Participation Ballot.

4.6 The situation might present itself whereby an applicant would be able to submit an application both under the Criterion of children of employees in the same school (Crit. 1b) and also under the Siblings’ Criterion (Crit. 1c). In this case one may also apply as Other Applicants (Crit. 3).

4.7 The situation might present itself whereby an applicant would be able to submit an application both under the Criterion of children of employees in the same school (Crit. 1b) and also under the Criterion of Schools without Continuity (Crit. 1f). In this case one is not to apply also under Other Applicants (Crit. 3) because through the Criterion of Schools without Continuity one would already be participating in the Choice of School Ballot.

4.8 The situation might present itself whereby an applicant would be able to submit an application both under the Siblings’ Criterion (Crit. 1c) and also under the Criterion of Schools without Continuity (Crit. 1f). In this case one is not to apply also under Other Applicants (Crit. 3) because through the Criterion of Schools without Continuity one would already be participating in the Choice of School Ballot.

4.9 Applicants from a Church School with both a Primary and Secondary Level, but who wish to attend a different Church School may do so without forfeiting their place in the school where they are currently registered. In this case, they may apply as Other Applicants (Paragraph 3 and 10).

4.10 Applicants under Serious Cases are not to apply under another Criterion. If the Church Schools Admissions Board concludes that the application is not to proceed under serious cases, it will be placed under the relative criterion – view the Regulations for Serious Cases Paragraph 10.5.

4.11 Applicants who may submit more than one application will be asked to make their final choice of school (either their current school or the new one) on the School Registration day.

5. **APPLICANTS’ YEAR OF BIRTH** – Eligible applicants have to be born in 2012 and are currently in Year 6 Primary.

5.1 The Board will consider requests for exemptions from this Regulation in the light of specific reasons, including cases where applicants would have repeated a year. These requests, together with relevant documents and other information requested by the Board, are to be addressed in writing to the Church Schools Admissions Board as indicated in Paragraph. 17.5, not later than fifteen days from application dates. The Church Schools Admissions Board decides if the exemption request should be granted.
