

PA5.0103/20.1 Tender for waterproofing works to vaults and domes, masonry restoration and the provision of skylights for the Church of St. Paul's Shipwreck, Valletta - Clarification batch Nos 1

Clarification Nos 1

Question:

We would like to organise a site visit to see the roof and where the two skylights are going to be installed

Reply:

As per instructions to tenderers, no site meeting will be held for this tender. Below please find google aerial photo with the locations of the skylights marked accordingly.

Clarification Nos 2

The draft contract for this tender is being attached to this clarification document.
