

**ERDF. PA.5.0103/11.3 - TENDER FOR THE SUPPLY, DELIVERY AND INSTALLATION OF
MUSEUM QUALITY DISPLAY CASES FOR THE PILGRIM'S LODGE MUSEUM, MELLIEHA**

CLARIFICATIONS

Clarification No. 1

Question:

I could not make it in time for today's Clarification Meeting/Site Visit due to traffic, in fact I arrived there late and could only speak to a person working at the museum.

Would you kindly include me in the email thread were any clarifications are made? And what was discussed/clarified during today's meeting?

Reply:

Kindly note that the project team was on site and waited for one hour beyond the established time for the clarification. No one turned up for the meeting.

As for any clarifications, as stated in the tender document any clarifications will be uploaded on the website of the Archdiocese through the link provided in the tender document.
